Recital Costumes

Recital costumes have been ordered and have already started to arrive. During class, the dancers will try on the costume to ensure proper fit. The teachers will determine if there are any major sizing issues. Costumes are NOT custom made and may need alterations once taken home. Please keep in mind that costumes are meant to be form fitting and some material gives more than others. We will distribute costumes along with an informational sheet on shoe and tights requirement. Tights will not be distributed until right before the recital as they are not to be worn until the show. Please make sure to take the costume out of the bag and hang up immediately! Do not allow students to play in costumes prior to the recital. The Recital Costume Book is located at the front desk.
